

# LOBBY & DÉCOR CLEANING

## KAY® Specialty Cleaner & Polish

for Metal, Wood and Hard Plastic

Case pack: 6 x 1 qt  
Item #: 1110055

### FOR A CLEAN YOU CAN SEE

KAY Specialty Cleaner & Polish is formulated to provide superior cleaning and polishing on a variety of décor and equipment surfaces. Regular use will keep metal, wood, wood laminate, hard plastic and other surfaces looking like new.

- ▲ Quickly removes soils, fingerprints, and smudges
- ▲ Gives stainless steel, wood, wood laminate and hard plastic a surface luster without leaving a powdery or oily film
- ▲ Resists streaking and smudging
- ▲ Global, non-corrosive formula

### APPLICATIONS:

Stainless steel, powder-coated metals, and other metal surfaces

Wood and wood laminate surfaces

Hard plastic surfaces
